Headline:
A dry and chilly night. Dry with sunny spells tomorrow.

This Evening and Tonight:
Largely clear through the evening. Dry throughout, but a thin veil of cloud will move in during the early hours and a few isolated fog patches may form. A little breezy initially but winds easing later. Feeling chilly. Minimum temperature 1 deg C (34 deg F).

Wednesday:
A dry day, with sunny spells becoming more widespread in the afternoon as the cloud breaks. A northerly breeze through the day, before easing overnight. Mild, especially in southwestern areas. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Dry but rather cloudy on Thursday, with few sunny spells. Staying mostly cloudy on Friday and Saturday, with a chance of patchy drizzle or light showers. Generally a little cooler.
